## HIGHLAND HOUSE RESTAURANT

SHEBOYGAN, WI

The Highland House is located downtown Sheboygan on the Riverfront. Their slogan “Where you are always on Vacation”, played a huge role in the design and feel of this building. As you can see by the pictures, the building is made to feel like you are eating down in the Florida Keys, not in Sheboygan, Wisconsin. The interior and exterior décor is brightly colored and eclectic. There are two exterior decks over looking the Sheboygan River, one on each floor level. There is also a boat dock for those that would like to come by boat.

The restaurant boasts two bars, one on each floor, a game room, a large first floor dining room with two fireplaces, one private dining room, and a large second floor dining area with beautiful views up and down the Sheboygan River.
