PIZZA RANCH

OOSTBURG, WI

The Oostburg Pizza Ranch is located in a historic building in downtown Oostburg. The 100+-year-old Cream City brick building was a grocery store when the Veldkamps decided it would be a great place for a restaurant. The 5,000-square-foot building was completely renovated into the western-themed Pizza Ranch that you see today.

Because the existing building had so much personality, the restaurant has a lot more character than you would normally see in new construction. One of these examples is shown above: the old freight elevator was transformed into a booth for six. There is also a kids' play area in the back with a small game room and basketball court.

Project Stats:

- Renovated an existing grocery store into a new restaurant.
- 4,938 square feet
- \$200,000 without furniture & equipment
- Completed Fall of 2004
